

RESCUE DOG

WINES

At Rescue Dog Wines, **our mission** is to produce exceptional, award-winning wines from sustainable grapes.

50%

of our profits support rescue organizations.

Founders **Blair & Laura Lott**
discuss the history of
Rescue Dog Wines and the
brand's values.

We've partnered with over

70

rescue organizations to date.

Our Commitment to Sustainability

In 2017, we purchased an abandoned vineyard in Acampo, CA.

We've revitalized the property, transforming it into an environmentally responsible, sustainable vineyard.

Our vineyard in Acampo is now Lodi Rules Certified Green.

And so are most of our wines.
